

SIT-DOWN / DINNER ~ Share Style

SHARE MENU

Let Baywoks chefs cook at your next function and be served by our professional waitstaff. Our Share menu is ideal for all Weddings, Private and Corporate functions. **Share menu** is where meals are placed in centre of table and everyone helps themselves, similar to a restaurant.

COCKTAIL & SHARE STYLE

Another popular way to make your next event a more social and enjoyable experience. Where guests are served their entrees/starters as canapés on arrival. This enables guests to mingle and greet one another whilst enjoying their drinks and food similar to a stand up cocktail function. The main meals are then served and patrons are seated. This breaks up the formality and enables guests to interact with each other.
